

COMPLAINTS POLICY & PROCEDURES

Scope & Principles

BW Training is committed to providing high quality services and welcomes suggestions and recommendations for improvement.

To support our commitment to improving the quality of the services we deliver we have adopted the following complaints policy.

This document covers the procedures used to deal with complaints involving staff, external stakeholders, BW Training clients including Learners and employers. Complaints that relate to internal matters involving staff or contractors will be subject to BW Training Ltd disciplinary or grievance procedures.

The principles on which our complaints procedure is based are:

- We will always seek an informal resolution of complaints where possible;
- Our procedure will be publicised and BW Training will promote open access to it;
- All staff will receive information on this procedure during induction;
- All staff and senior managers will adopt a solution focused approach in response to justified complaints;
- All complaints will be subject to impartial review.

How to make a Complaint

If you wish to make a complaint about our services or your treatment by BW Training you can use this complaints policy.

At any stage of the complaints procedure you are entitled to seek support from any person unconnected with BW Training.

If you feel your complaint is serious you are entitled to proceed directly to Stage 2 of the procedure.

STAGE 1

The first stage of our procedure is to discuss the complaint with the member of staff concerned or the Delivery Manager where applicable. This might be done verbally, by telephone or in writing but within one month of the action occurring. BW Training staff will attempt to resolve this issue immediately but if the matter requires further investigation or further information is needed we will get back to you within an agreed timescale, usually within five working days of receiving the complaint.

BW Training staff will seek to reach an informal and mutually agreeable solution to your complaint.

If you have been unable to reach a solution informally you may proceed to stage 2 of our procedure.

STAGE 2

You should write (via post or e-mail) to the designated contact at BW Training , outlining the nature of your complaint and providing as much detail as possible. This should be within one month of the action that gave rise to your complaint or within one month of completing Stage 1.

The manager of Area will respond within 10 working days, acknowledging your complaint. We aim to inform you of the outcome of your complaint within 4 weeks. This deadline may need to be extended in certain circumstances but you will be informed of this in writing.

During the investigation you will be provided with an opportunity to have a meeting to explain the circumstances of your complaint.

The complaint will be dealt with according to all the relevant Policies and Procedures. The relevant members of staff will be involved in the investigation.

STAGE 3

If you are not happy with the response provided by the Head of Area you are entitled to have your complaint reviewed by the Director of BW Training.

You will have the opportunity to meet with the Director of BW Training to discuss your complaint and will receive a final report and details of any proposed actions within an agreed timescale, usually within one month
